Vision / Mission

"Enlightening Minds, Empowering Futures"

Mission: "To foster a dynamic learning environment that cultivates academic excellence, critical thinking, and holistic development, preparing students to excel in a rapidly evolving global society."

Vision: "At Deep Jyoti Higher Secondary School, we aspire to be a beacon of educational innovation, nurturing compassionate leaders who embrace diversity, demonstrate integrity, and contribute positively to their communities."

From The Desk

We are happy to note with great satisfaction that Deep Jyoti Higher Secondary School is making a steady progress in meeting out the challenge towards the development of a total personality of its students through the strong efforts of its teachers and other staff members.

Education is as Gandhiji says, "to bring out what is good in body, mind and spirit". Our teachers are trying their best to do justice with the spirit of this concept.

Education is going through a great change in its concept from "Education" to "Learning". This is a two-way process where students and teachers interact with each other and in the process they learn from each other.

We hope they will go a long way in building up a learning society by developing their own personality. "Our Motto is to spread the Light of Education"

We wish them a great success in life.

Managing Director
Mr. Pradeep Tiwari

Chairman
Mrs. Rashmi Tiwari

From The Desk

The prime aim of an institution is to create history for emulation and to curve the career of the aspiring children with broad vision of tomorrow. The oft-quoted maxim 'turning mirrors into windows' has proved a reality with the learning infrastructure that our school provides to our enthusiast inmates.

We want to ensure our parents that quality education is the only lasting gift that enables your child to stand out with flying colours. We are committed to pursuit of excellence with lustrous wings. I am more than confident that your ambient co-operation will work as a perennial source of inspiration to our defined venture.

About Us

Deep Jyoti Higher Secondary School, Bara-Saman Rewa (MP) was established in the year 1997. At first formed a society in the name of Late Shri Chhote Lal Tiwari (C.L.T.) memorial.

It was started with a great ambition to spread the education for all including school education in the formal system. The school however made rapid progress and soon came to be looked upon as, an institution from nursery to higher secondary school imparting quality education to the children of our city. With "Excellence through hard work" the staff of Deep Jyoti Higher Secondary School believe that primary education holds maximum importance in the life of a child in building up a strong personality with high moral values. The student-teacher relation can be best described as one between a plant and a gardener who tends the seeds to become healthy plants. In the same way a teacher nurtures the little minds into a strong individual by giving the right manner of love and care. Importance is therefore given to an all round development i.e. physical, mental and spiritual.

Extensive use is made of the excellent audio visual aids and computer, parent - Teacher Associations enable frequent interaction for a joint effort towards a sound and steady progress of the students.
